If this is a Temperature Controlled Shipment Please Follow These Guidelines:
CARRIER is in full compliance with the Food Safety Modernization Act (FSMA), if applicable. Refrigerated trailer/unit MUST (i) have temperature recording download capabilities, and (ii) be run on Continuous unless otherwise instructed in writing. Run reefer at the temperature indicated on BOL's. If no temperature is provided on the BOL(s) or it conflicts with the Rate Confirmation, please call your BROKER representative for instructions. CARRIER should pulp the product to ensure it is precooled. Do not load product on trailer if pulped product is not at the required temperature as indicated on this Rate Confirmation and/or the BOL.

Freight and Payments Terms

- **THIS LOAD SHALL NOT BE DOUBLE BROKERED. This load must be shipped within the guidelines set forth when booking the load. If a load is found to be commingled or shipped via any other mode other than what was agreed upon, without the express written consent of BROKER, BROKER reserves the right to withhold payment in full.**
- CARRIER must provide BROKER the date/time their driver arrives and checks in at shipper for loading and the date/time trailer is loaded.
- If driver is not allowed on the dock to verify product count, BROKER must be notified prior to driver signing for product and BOLs must be marked by Shipper as "Shipper Load and Count "
- All Van/Container loads must be sealed at origin either by shipper or driver with the seal number noted on Bill of Lading. CARRIER must communicate the seal number and product quantity count stated on the Bill of Lading to BROKER representative once loaded, and before leaving the shipper.
- If the shipper doesn't supply a seal: (i) the driver must apply their own seal upon loading and prior to leaving the shipper and notate the seal number on the Bill of Lading, and (ii) notify BROKER immediately that the shipper didn't apply the seal and provide BROKER the seal number that was applied. The driver is responsible for re-sealing the trailer after each pickup/drop on a multi-stop shipment.
- Notice of Detention. BROKER must be notified at least one (1) hour before detention begins. OSD, lumpers, pallets and miscellaneous charges must be reported at time of occurrence. Supporting documentation for accessorial must be sent within 48 hours of delivery. Lumpers must be called in and reported upon delivery. Lumpers will not be reimbursed unless called in at the time of occurrence. Lumper receipt is required with billing.
- CARRIER acknowledges that any routing instructions from the shipper herein are being provided for convenience only, and the CARRIER may choose the route except as otherwise set forth herein.
- Contact your BROKER representative if your company is not able to meet the requirements of this Shipment. The load must be secured according to the requirements of each shipment. If there aren't specific securing requirements listed above, a minimum of two load bars or two straps must be used to secure the freight during transit.
- CARRIER shall immediately notify BROKER by telephone and thereafter by e-mail of (i) any accidents, spills, theft, hijacking, delays or shortages which may occur while any shipment is in CARRIER 's care, possession, custody and/or control, and (ii) any refused or "on-hand" shipment, or part thereof, and request additional instructions from BROKER regarding delivery or storage of such shipment.
- CARRIER shall be responsible for any fines imposed on BROKER and/or shipper resulting from noncompliance.

Payment Information

The signed BOL/POD and all accessorial paperwork (Lumper receipt, Pallet Exchange receipt, detention slips, etc.) must be emailed to ALLIANCE SHIPPERS within 24 hours of delivery. Also, if shipment has a restack charge, CARRIER must send pictures from loading at the shipper along with their Invoice to be considered for review and approval.

For Accounts Payable inquiries, please contact your Alliance Shippers representative.

Legal Terms and Signoff

This Rate Confirmation is subject to the terms and conditions of the Broker Carrier Agreement, which are deemed incorporated herein, and this document constitutes an amendment thereto. Any additional charges must appear on a revised Rate Confirmation signed by the BROKER. Rates, except as specifically designated above, are inclusive of any fuel surcharge. If the CARRIER has not signed the Agreement, then the rate shown above is the agreed individually negotiated rate and no other rate shall apply including any CARRIER tariff rate or terms.

By accepting this load, CARRIER hereby confirms that: (i) their FMCSA safety rating is NOT conditional or unsatisfactory; (ii) it maintains applicable and valid cargo insurance of at least $100,000.00, or $200,000 for Drayage, and $1,000,000.00, or $1,500,000.00 as required by law, in automobile liability insurance, without exclusions that would prevent coverage for the commodities listed herein; (iii) it will comply with all applicable Federal, State, and local laws, rule, regulations, and ordinances applicable to its operations while transporting said shipment, including, but not limited to drivers' hours of service; and (iv) that has personnel and equipment capable of performing the services contemplated herein.

If applicable, CARRIER specifically confirms that it is in compliance with all requirements of the California Air Resources Board (CARB) that are applicable to the scope of CARRIER's operations, as well as any comparable requirements of the Environmental Protection Agency (EPA) and other

states.
